

**STATEMENT OF WORK  
SUPPLY OF OFFICE AND IT EQUIPMENT**

**Background:**

INL supports the sustainment of the State Border Guard Service's Polygraph unit. Currently, the SBGS Polygraph Unit is seeking assistance in procuring office and IT equipment to develop the infrastructure of its regional offices.

**Requirements:**

A vendor shall supply IT and office equipment as described in the following specifications. All goods must be new and of high quality, officially imported to Ukraine or made in Ukraine. All devices must be compatible with standard Ukrainian voltage (220-230 volts), support 50Hz current frequency and have C (European) or F (Schuko) plug type. All proposed equipment must be brand name or equal.

Final destination services (cost of shipping, customs clearance, necessary licenses, local delivery, local temporary warehousing services if required, uploading/downloading at final destination) are vendor's responsibility and should be included to the contract price.

Actual delivery address (final destination):

54A Narodna Street  
03110 Kyiv, Ukraine

**Warranty:**

Standard manufacturer or seller warranty in Ukraine is required for all equipment. Authorized service centers must be available on the territory of Ukraine.

**VAT:** This is a technical assistance project (VAT exempt).

**Delivery and Deadline:**

The requested items must be delivered to 54A Narodna Street, Kyiv within 30 calendar days after contract award.

No	Name	Unit	Quantity
1	Laptop Asus TUF Dash F15 FX516PR-HN106 (90NR0651-M03750) – BRAND NAME OR EQUAL Main characteristics: 1. Display – not less than 15.6" IPS (1920x1080) Full HD 144 GHz 2. Processor – not less than intel Core i7-11370H (3.3 - 4.8 GHz) 3. RAM – not less than 16 Gb 4. Built-in operating system – none 5. Built-in SSD volume – not less than 512Gb 6. Graphic adapter (video card) – nVidia GeForce RTX 3070, 8 Gb.	pcs	11

2	MFP A4 EPSON L850 – BRAND NAME OR EQUAL Main characteristics: <ol style="list-style-type: none"> <li>1. All in one MFP device for printing, scanning, and copying</li> <li>2. Printing technology – inkjet printing</li> <li>3. Number of colors – not less than 6</li> <li>4. Built-in system of uninterrupted ink supply</li> <li>5.
